ACTION ITEM (ID # 2000)

SUBJECT: GMA LEASE FOR TAKE HOME POLICE CARS

Meeting Date: March 21, 2017, 7:30 PM

REQUESTED ACTION:

Approve the attached resolution to borrow and approve the Mayor to sign a lease agreement and the project agreement with GMA in an amount not to exceed \$1.5 million

BACKGROUND SUMMARY:

In the 2017 budget, the Mayor and Council approved to provide take home cars for police officers.

ISSUE:

The Mayor & Council decided that the best way to implement this program is to lease of the needed vehicles at once. This authorization will allow staff to move forward with finalizing a lease prior to purchasing all of the cars so that money can be made available to be drawn as the cars are delivered. The cars will not all be delivered at once.

FINANCIAL IMPACT:

The amount of the lease will be a little over \$100k less that what was budgeted.
