

Task Order 1 – GIS Services and Hosted Cloud Platform

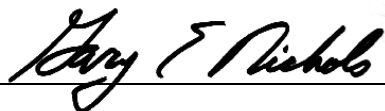

GIS Services + Mosaic	Monthly Cost	Annual Cost
Direct Labor Cost and Services – One (1) Full Time GIS Analyst	\$9,625	\$ 115,500
Hosted GIS Services/Year - MosaicGIS	2,000	24,000
InterDev Total	\$11,625	\$ 139,500
Existing City Owned Software		
• ESRI – Enterprise License Agreement (ELA)		25,000
Total Cost		\$ 164,500

Notes & Assumptions

- Rates in the table above are for 1 year of software and services
- InterDev will invoice Chamblee on a monthly basis
- MosaicGIS was discounted from \$2,500 a month to \$2,000 a month because the Esri ELA includes the ArcGIS for Server licensing.
